Pantex Christmas Project Accepting Applications

Applications for the Pantex Christmas Project are now available from counselors at Amarillo and Canyon public schools, the Amarillo Public Library or by calling **477-5533** and requesting an application by mail. This year, the applications will also be available at www.pantex.com. Applications are available in English and Spanish and must be postmarked by October 12, 2012. Families in Amarillo and the surrounding area are eligible to apply.

Pantex employees have been supporting the Pantex Christmas Project for more than 55 years. The Project will serve approximately 150 children and a number of elderly individuals. Selected families receive food, and each child will receive clothing and toys. Notices will be sent to families informing them if their application has been accepted. Families will be assisted one time only and are asked to not submit an application if they have received assistance from the Project in the past.

Please help us call attention to this important opportunity for families that may need assistance this Christmas.

B&W Pantex manages and operates the Pantex Plant near Amarillo, Texas, for the U.S. Department of Energy's National Nuclear Security Administration. B&W Pantex is also the proud recipient of the DOE's Voluntary Protection Program STAR status for safety excellence. The company was also named one of America's safest companies by Occupational Hazards magazine and has received numerous awards from the National Safety Council.

Pantex Christmas Project 2012

The Pantex Christmas Project is a non-profit organization that helps in making a special Christmas for less fortunate children within our community.

Uncompleted applications will not be considered. Applications must have each family member's social security number, a phone number, and all financial information pertaining to the household as a whole. Any person living in the home, whether family member or not, must be listed and accounted for on this application. When providing the requested financial information, please keep in mind we need the information for all individuals living in the home.

Applications will be cross-referenced with other organizations in Amarillo in an effort to eliminate families from receiving services from more than one organization.

The Pantex Christmas Project provides clothing and toys to less fortunate children. The Pantex Christmas Project **does not** assist with utilities or any other type of debts.

The Christmas Project is a once in a lifetime opportunity. A family is only accepted by the Pantex Christmas Project **ONE TIME**. This policy allows us to help more people in our community. Please do not apply if your family has been accepted by the Pantex Christmas Project in the past.

Please submit application to:
